      “State-of-advancement of Information Society developments in Acceding and Candidate Countries”
   2. Discussion

14h00 -15h30   Lunch
All sessions during the workshop will start with a comprehensive presentation relative to the debated theme, based on the outputs of the study called:

“Factors and Impacts in the Information Society: A Prospective Analysis in the Acceding and Candidate Countries”.

This study has been developed during 2003 by 13 research institutions from the Acceding and Candidate Countries on behalf of the Institute for Prospective Technological Studies-IPTS, DG JRC, European Commission.

The 13 National Reports and the Synthesis Report will be made available, exclusively to the workshop participants, before the meeting. The author(s) of each study will be invited to participate directly in the workshop debates.
